

Specimen Label

PRINCIPAL FUNCTIONING AGENTS:

Water-soluble green colorants, stabilizing agents
and ingredients ineffective as a spray adjuvant 100%
TOTAL..... 100%
Ingredients are allowed by the US EPA for use on all non-food
crops and other areas

KEEP OUT OF REACH OF CHILDREN
DANGER

May cause an allergic skin reaction. May cause allergy or asthma symptoms or breathing difficulties if inhaled.

Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing dust, fume, gas, mist, vapors or spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Contaminated work clothing must not be allowed out of the workplace. Wear protective gloves, protective clothing, eye protection and face protection.

FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing.

IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes. If skin irritation occurs: Get medical advice or attention.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance and then give artificial respiration, preferably mouth to mouth if possible.

IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

GENERAL INFORMATION

SPLENDOR GREEN may be used with liquid pesticides and fertilizers for industrial, turf, ornamental, forestry and other nonagricultural materials as a liquid spray indicator dye/ temporary colorant.

SPLENDOR GREEN aids spray applicator in seeing where they have applied material and where they have not sprayed.

SPLENDOR GREEN is designed to mix totally with water soluble pesticides and fertilizers and does not interfere with active ingredients. The color fades quickly in wet and dry weather.

USE RATES

In order to determine the best application rate, experiment with the volumes and addition rates of **SPLENDOR GREEN** to find the optimal rate.

Start with a rate of ¾ - 1.5 ounce per 10 gallons or about ½ - 1 teaspoon per gallon of spray solution. Rates will vary depending on turf color, turf height, and spray application rate.

Note: The recommended concentration of **SPLENDOR GREEN** may be change according to the needs for the operations being performed. Higher dosage rates will increase the intensity of the color once it is applied.

STORAGE AND DISPOSAL

STORAGE: Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. For optimal storage, store between 40° and 90° F.

DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all federal, state and local regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org.

WARRANTY

Red River warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Red River, and buyer assumes the risk of any such use.
