

RRSI FOAM MARKER

Specimen Label

PRINCIPAL FUNCTIONING AGENTS:

Proprietary blend of foam agents and formulation aids	100.0%
Total	100.0%

KEEP OUT OF REACH OF CHILDREN WARNING

May be harmful if swallowed. Causes skin irritation. Causes serious eye irritation. May be harmful if inhaled. Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing dust, fume, gas, mist, vapors or spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves, protective clothing, eye protection and face protection.

FIRST AID

Call a poison control center or doctor immediately for treatment advice.

Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing. If eye irritation persists: Get medical advice or attention

IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes. If skin irritation occurs: Get medical advice or attention.

IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

IF INHALED: If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

GENERAL INFORMATION

FOAM MARKER is a durable, versatile foam marker designed to perform well under a wide range of conditions. **FOAM MARKER** contains an internal water conditioner so that it can be used with a wide range of water including hard water, soft water or any other kind that is acceptable to the foam equipment manufacturer.

FOAM MARKER is a highly concentrated synthetic foam blend containing special additives to give it good durability under adverse weather conditions. **FOAM MARKER** is designed to work well in most all water conditions without the addition of chemical softeners or treated water. **FOAM MARKER** will produce a tight, highly dense foam mass under a number of environmental conditions and has shown excellent durability.

DIRECTIONS FOR USE

FOAM MARKER may be used at dilutions that range from 120:1 to 80:1.

The normal usage rate in most water conditions will be 100:1 or 64 fl. oz. (1/2 gallon) of **FOAM MARKER** to 50 gallons of water.

If foam is runny add more **FOAM MARKER** in small increments, until desired consistency is achieved.

If foam is too thick, thin mixture with water.

HANDLING AND STORAGE

Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. For optimal storage, store between 40° and 90° F.

Keep liquid and vapors away from heat, sparks and flames.

If freezing occurs, thaw at room temperature. Roll drum frequently to assure homogeneity.

CONTAINER DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all federal, state and local regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org.

WARRANTY STATEMENT

Red River warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to the label instruction, or any abnormal conditions, or under conditions not reasonably foreseeable to Red River, and buyer assumes the risk of any such use.
