KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Keep out of reach of children. Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing dust/fume/gas/mist/vapors/spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves/protective clothing/eye protection/face protection.

FIRST AID

Call a poison control center or doctor immediately for treatment advice.
Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing.

IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes.

IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

GENERAL INFORMATION

- Indicates areas that have been sprayed
- Prevents misses and double sprays
- More efficient spray applications
- Does not affect other tank mix partners

SUPER STRENGTH BLUE DYE WSB is an indicator dye that is mixed into spray tanks in order to color areas that have been sprayed, thereby increasing precision when applying tank mixes. The colorant dissolves in water and does not permanently mark or stain most surfaces. The color fades naturally over time. **SUPER STRENGTH BLUE DYE WSB** does not react with or affect other tank mix ingredients.

SUPER STRENGTH BLUE DYE WSB is packaged in convenient 4 ounce water-soluble packages for easy handling. Simply add packages to a backpack sprayer or spray tank and allow them to dissolve. The blue dye will disperse evenly throughout the tank.

DIRECTIONS FOR USE

Add **SUPER STRENGTH BLUE DYE WSB** to the tank last. **SUPER STRENGTH BLUE DYE WSB** dye is totally water soluble and dissolves rapidly, especially when agitation is applied.

The dye in **SUPER STRENGTH BLUE DYE WSB** will temporarily stain porous surfaces such as concrete, wood, etc. and will take longer to fade than surrounding areas. The product must be used with caution around these materials.

USE RATES

Amount of **SUPER STRENGTH BLUE DYE WSB**	Amount of solution
1 - 2 packets	50 gallons

Start at the lowest rate and test an area. If the indicator is not dark enough, add more until desired result is achieved. Shorter and/or lighter areas will require less colorant. Denser or darker foliage or shaded areas will need more colorant.

STORAGE, HANDLING AND DISPOSAL

DO NOT FREEZE

STORAGE: Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. For optimal storage, store between 40° and 90° F. Store in a cool, dry place away from fire, flame or other sources of ignition. Protect product packets from exposure to moisture or high humidity. Do not handle with wet hands. Always reseal outer packaging immediately after the packets are removed. **SUPER STRENGTH BLUE DYE** WSB may appear to be slightly reddish in color, when in packet. The colorant is blue when added to water.

DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all federal, state and local regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org.

CONDITIONS FOR SALE
